

Hello Nursery!

It's the last week of what has been a very strange year in school for all of us.

It has been so lovely to see you working hard at home and we have really enjoyed seeing some of you back in school recently.

Usually, in the last week of term, we would be busy tidying, sorting and cleaning the classroom. I wonder if you could help at home with some similar jobs:

- Help mummy or daddy with some tidying at home – in class we would be having a really good tidy up!
- Do some jigsaws – in class we would be sorting our jigsaws and making sure we had all the pieces!
- Help with some cleaning – could you clean some of your toys in a bowl of soapy water? We usually do this outside in the sunshine
- Do some exercise – Cosmic Kids yoga, Joe Wicks workouts, more sports day races, dancing with Oti on Boogie Beebies...whatever you fancy? It's important to stay active
- Have a go at some baking – we would usually be making something tasty for snack time
- Have a rest and enjoy reading some of your favourite stories – we love listening to stories in Nursery
- Don't forget to have some fun! Take some time to do something you really enjoy – dancing, singing, building, watching a film – whatever you like to do
- Don't forget to take some photos and show us what you've been up to on Hwb 😊
