

The 3 boxes below are the focused activities for nursery pupils this week. Please take some pictures so that you can share what you have been doing with us!

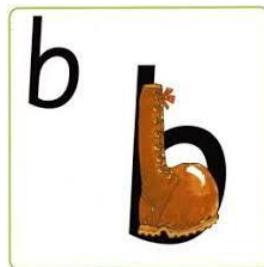

Hickory, Dickory Dog

- Read/listen to Hickory Dickory Dog. There's a separate video of Mrs Goodfield reading the story if you don't have a copy of the book at home.
- Why is the dog following the boy to school? Can you remember what the dog does at school? Would you like to take a pet to school? What do you think they would do in school?

Sound of the week – b

- Practise forming the letter 'b'. Remember the rhyme **“Down the laces to the heel and around the toe.”**
- Watch the 'b' formation video to remind you how to write the sound. (saved separately)
- Watch Mrs Kumar's sound of the week video (saved separately). Can you remember the sounds that we have been learning in school? Remember to practice this a few times this week.
- Choose 2 or 3 sounds that we have looked at so far (m, a, s, d, t, i, n, p, g, o, c and b). Ask a grown up to find some items beginning with those sounds. See if you can match the items to their starting sound. You could try this with lots of our sounds.

Mathematics

- Watch Mrs Goodfield's number of the week video.
- Focus on forming the number '2' carefully. Use our rhyme to help you **“Half a heart will never do, slide to the right and make a 2.”**

- **Extension** - If you are really good at recognising the number 2, counting out 2 objects and writing number 2, you could really challenge yourself by writing '12' and counting out 12 objects.
- Have a look around your house and see if you can find two of lots of items. It could be 2 apples, 2 cups, 2 cars. Can you make a collection? Check you have 2 of each item that you have collected.

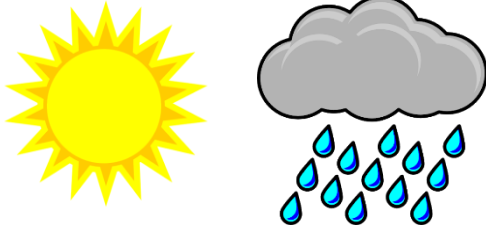

- Go on a number 2 hunt with your family. You might spot the number on cars, bins or signs. House numbers are good to look at too.

The 3 boxes below are some suggested extra activities to complete.
Please take some pictures so that you can share what you have been doing with us!

Cymraeg

- Have a look at the Welsh weather video saved separately. We've added some extra phrases for you to learn this week.
- Have a go at playing the 'splat' game that you saw on the video with your family. How many different types of weather can you remember? There is a set of cards saved separately for you to use if you like.

Creative Development

- In Hickory, Dickory Dog, the boy's pet dog goes to school. Do you have a pet? If not, what is your favourite animal?
- Can you draw a picture of your pet or favourite animal? Have a look at the picture of Mrs Goodfield's pet dog Milo and watch Mrs Earey's hello video, you might spot her pet! (saved separately)

ICT

- In school we have been working hard to develop our mouse control skills. Have a go at this spider mouse control activity.
http://resources.hwb.wales.gov.uk/VTC/incy_wincy/eng/Introduction/default.htm
- Start with main session part 1. If you can do this really well, try parts 2 – 4. They get a little harder each time.
