### Big Fresh catering company— WG Consultation on the proposed changes to healthy eating.

The school has been asked to share the below link which is a consultation document from WG on the proposed changes to the healthy eating and nutritional regulations that the Big Fresh catering company currently follows.

It is vitally important that all our stakeholders have a voice in the process.

Big Fresh have implemented some changes to the new menu. The whole idea is to try to offer more nutritional, hot, home cooked foods to our pupils with bread options removed together with certain foods.

There is a children's version of the consultation and it would be great if pupils could provide their feedback too.

The closing date is 29 July 2025.

Thanking you in advance.
