* anything amended/ extra that has been added to the original dates for the diary which was sent at the start of the year

Happy New Year!

We hope you all enjoyed a wonderful festive break filled with laughter, relaxation and special moments with family and friends. The start of a new year always brings a sense of renewal and possibility and we're excited about all that lies ahead for our school community.

A new term means fresh opportunities for learning, growth and fun. Our staff have been busy planning engaging lessons and activities designed to inspire and challenge our pupils when they return.

Looking ahead, we're confident that 2026 will be a year full of achievements and memorable experiences for everyone at Llanfair Primary School. Thank you for your continued support, it truly makes a difference as we work together to give every child the best start.

Here's to a fantastic year ahead, full of learning, laughter and success!

Charity support

At the end of last term we supported various charities including Save the Children. We raised altogether £293.

The Poppy Appeal also raised £191.06

Diloch yn fawr for your continued support with our charity work.

Peripatetic Music Tuition

If you are interested in music lessons at the school, please find details of the available tuition services above.

Class assemblies

Mrs Mayes and the pupils of Tryfan will be leading a class assembly on **Wednesday 21st January at 9.15am.**

Mr Lewis and the pupils of Cadair Idris will be leading a class assembly on **Tuesday 27th January at 9.15am.**

Parents/ guardians are welcome to join us for this assembly. Following the assembly, there will be a chance to stay and take part in some activities with your children in the classroom. We hope that you are able to join us for this event.

If attending, please arrive after 9am so that you can use the spaces in the drop off zone to park.

Online Safety for Parents

Helping You Keep Your Child Safe in a Digital World.

Online Safety for Parents

gives you the tools and confidence to support your child's digital wellbeing - at every age and stage.

Parents who attend the workshops will receive an information handbook and the opportunity to meet other parents and share experiences.

Online Safety for Parents is an informative and supportive session designed to help parents and carers understand the risks young people face online, and how to guide them in using technology safely and responsibly. Today's young people are born into a world where advanced technology exists and for this 'Cyber Savvy' generation, the right and ability to use technology manifests itself in a myriad of ways with young people learning, communicating, socialising and gaming through, with and because of technology.

Technology is easily abused and misused and if we are allowing our children use of and access to these tools, we must ensure they are able to use them safely and respectfully

This 2-hour workshop provides practical advice, up-to-date information, and simple strategies for protecting children in an ever-changing digital world.

This workshop helps parents to:

- Understand popular apps, games, and social media platforms
- Recognise online risks such as online bullying, grooming, and inappropriate content
- Learn how to set boundaries and use parental controls effectively
- Start open, honest conversations about online behaviour and safety

Online Safety workshop for parents

We are delighted to invite all parents to an Online Safety Workshop led by an external presenter on Tuesday, 3rd March at 3.40pm.

As you know, online safety is an extremely important topic, and together we can help support our children in navigating the digital world safely.

The workshop will cover key aspects of keeping children safe online and provide practical advice for parents. It will last approximately 1 hour and will begin at 3:40 pm, once all children have been dismissed.

(Please note: The flyer above states the workshop is 2 hours, but this has been condensed into 1 hour.)

If you require supervision for your child while you attend the workshop, we can arrange this—please let us know in advance.

We hope as many parents as possible will join us for this valuable session.

Extra curricular clubs for Spring term 2025

Extra curricular clubs will start the week beginning **Monday 19th January** and will finish on **Friday 13th March**.

If you applied for a place using the Google Form sent your child has a confirmed space in the club. If you did not complete the Google form before Christmas please email the school if you would like your child to take part in a club. Places will be allocated on a first come first served basis.

Inclement weather school closure

With the unpredictable weather conditions that we often experience, it is necessary for us to have a plan in place for any potential school closures. If the school has to close due to adverse weather conditions, we will contact you via text message and email at the earliest opportunity.

Therefore, it is crucial that you ensure all your contact details are up to date and that you are receiving school communications regularly.

In the event of a school closure, our dedicated teaching staff will set work for the children using various online platforms. For Nursery, Reception, Year 1, Year 2 and Year 3, the work will be set on Seesaw. Years 4, 5, and 6 will have their work set on Google Classroom via Hwb. These platforms have been chosen to ensure a seamless continuation of your child's education from the comfort of your home.

To ensure a smooth transition to online learning, please make sure that you have your child's login details readily available. Our staff will be unable to provide these details if the school has to close at short notice.

We sincerely hope that adverse weather conditions do not disrupt our school operations. However, it is always better to be prepared. We will continue to monitor the weather closely and if any closures are necessary, we will inform you promptly.

The staff and I would like to thank you for your continued support and as always if you have any questions or queries please do not hesitate to contact the school.

Mr R Jones and Mrs J Shewell
