Sports day will be held on Wednesday 18th June (weather permitting). We are going to split the sports day into foundation phase (nursery to Year 2) during the morning and KS2 (years 3 to 6) during the afternoon. We will start the foundation phase sports day at 9.30am and KS2 at 1.30pm. Nursery will be participating at approximately 11.15am.

Please can you ensure that pupils have a sun hat, drinks bottle and make sure that sun cream has been applied. Extra sun cream can be sent in with your child if it is clearly labelled with your child's name. Unfortunately, pupils are not allowed to share sun cream unless of course, they are siblings.

The PTA will be selling a variety of snacks and drinks throughout the day. To try to alleviate some of the chaos of the car park we please ask you to car share where possible and we are going to open up the field next to the school car park to reduce the congestion. I will confirm details closer to the date.

The PTA are fundamental to the fundraising efforts of the school and your support in the events is very much appreciated.

Inset Days 2025/2026

There will be two inset days at the start of the new academic year on Monday 1st September and Tuesday 2nd September. The Autumn term will commence on Wednesday 3rd September. I will endeavour to provide as much notice as possible regarding the additional three inset days that the school will take over the course of the year.

****There will be an inset day on Monday 20th July 2026****

Hats and water bottles

Please could you ensure that your child/children brings a water bottle and sun hat to school each day especially with the warmer weather we are currently experiencing. Sun cream can be brought into school but we please ask that bottles are clearly labelled and pupils have applied suncream before arriving at home. Unfortunately, pupils will not be able to share sun cream. Please note that members of staff are unable to directly apply the suncream to your children but can advise children where to apply etc.

One page profiles and book look/ tray and display

During the week commencing 9th June we are inviting you into school to have a look at your children's books with your children present. We would also like you to complete/ update a one page profile for your child. This one page profile will assist us in supporting your child with their education and it is an opportunity to identify any ideas you think we could do to help your child from a parent perspective. These sessions are informal and will work on a drop in system. There is no need to book and you can come and go as you please within the specified times below.

Thank You to Our Wonderful PTA!

We would like to extend a heartfelt thank you to our incredible PTA for their tireless fundraising efforts and generous support of our school.

This year, the PTA has contributed towards a significant **£5,000 investment in digital equipment**, helping the school to purchase new **iPads and Chromebooks**. These devices are already being used across the school to enhance teaching and learning in exciting and meaningful ways.

In addition to this, the PTA has also kindly funded **music and dance tuition** for all pupils, giving every child the chance to experience and enjoy these enriching opportunities.

Finally, we're delighted to now have a brand new **speaker system** for our school concerts, ensuring every performance sounds its very best.

We are incredibly grateful for everything the PTA does—it truly enhances the experiences and opportunities for all our children. Thank you!

Thank You for Supporting Our Book Fayre!

Thank you to everyone who supported the Scholastic Book Fayre this year. We're delighted to share that we received £314 in commission from sales. This will be used to purchase teaching and learning materials to benefit all our pupils.
